

PEDIATRIC THERAPY ASSOCIATES is pleased to announce

Handwriting Camps

Handwriting Without Tears Program will be offered based on the child's readiness level.

The camps are recommended for ages 4 and up.

The Doodlers is a group designed for pre-writing skills

The learning focus will be on:

- size
- shape
- body awareness
- position concepts & words
- imitation
- following directions
- drawing
- fine motor skills
- exploring line & movement with hands-on group activities to help develop social, cognitive, and perceptual motor skills.

OBJECTIVE: Build foundation skills for good handwriting.

**1 week camp
5 - 1 hour sessions with 4 children
\$100/week**

Exploring Writing* is a group designed for starting writers

The learning focus will be on:

- letter identification
- formation of capital letters
- pencil grip
- posture
- vocabulary for forming letters
- directions (left to right)
- letter shape and size
- social skills

OBJECTIVE: Learn to write correctly and automatically. Easy methods to eliminate backwards letter writing.

**1 week camp
5 - 2 hour sessions with 4 children
\$150/week**

The Power Printers* is a group designed for children who are able to copy and are ready for independent writing

The learning focus will be on:

- imitating
- copying
- independently writing using good habits while writing basic sentences.
- learning lower case letters in a developmental order
- address problems such as reversals, sizing, spacing, top-to-bottom letter formation, grip and posture.

**1 week camp
5 - 2 hour sessions with 5 children
\$150/week**

*Please consult your child's Occupational Therapist before registering for Exploring Writing or The Power Printers.

Camps held year round

All camps will be held at our Raleigh Office
4201 Lake Boone Trail, Suite 4, Raleigh
